

QUALITY AND SAFETY POLICY

We are **FIBRAFIL S.A.**, an industrial company that produces and markets polyethylene and polypropylene-based products for decorative, recreational, packaging and protection uses; such as, raschel shade nets, threads, cords and ropes, extruded and woven fruit nets, fabrics and bags; attending to the needs of the economic sectors of agriculture, mining, fishing, construction, mass consumption, food, among others; which establishes a **Quality and Safety Management System**, oriented towards the satisfaction and loyalty of our clientsⁱ.

In this sense, we commit toⁱⁱ:

1. Ensure the quality and safety of our products by complying with customer requirements, the legal framework applicable to the company, processes and products, and those provisions adopted voluntarily.
2. Develop the skills and knowledge of employees, in a sustainable way.
3. Maintain and continually review compliance with the operational controls of our processes, by conducting internal audits.
4. Promote the continuous improvement of the performance of the **Quality and Safety Management System**, through sufficient and timely communication with all our collaborators to encourage their participation and commitment.
